## STATEMENT OF COMPLIANCE FOR PRATT DANGEROUS GOODS STORAGE CABINETS.

This document is to advise that our Pratt brand, range of dangerous goods storage cabinets are designed and manufactured to comply with the cabinet specifications as described in the various Australian Standards. These Standards are:

**AS 1940-2017: The Storage and Handling of Flammable and Combustible Liquids.**

**AS/NZS 5026-2012: The Storage and Handling of Class 4 Dangerous Goods.**

**AS 4326-2008: The Storage and Handling of Oxidizing Agents.**

**AS 2714-2008: The Storage and Handling of Organic Peroxides.**

**AS/NZS 4452-1997: The Storage and Handling of Toxic Substances.**

**AS 3780-2008: The Storage and Handling of Corrosive Substances.**

Standards Australia or any other Government Authority, do not issue "Certificates of Compliance" to these standards, for the cabinets as described. It is therefore the responsibility of the manufacturer or distributor of the cabinets, to ensure they do comply to the requirements of the respective Standards.

Paramount Safety Products, the owners of the Pratt brand of dangerous goods storage cabinets, have undertaken to ensure the design, operation, materials of construction and performance of this type of equipment complies with the specifications of the relevant Standards.

However Paramount Safety Products is not responsible for the selection, final installation, location and usage of the product.

Please refer to the above Standards for further details and information, or contact your local government authority or Paramount Safety Products.

Yours sincerely

Clive Baker  
Pratt Technical Manager
