Warranty Statement

All Pratt Safety Systems products are warranted to be free from manufacturing defects. The warranty period is 12 months from date of invoice. If notice of a defect which adversely affects the operation of the unit is received within this period, Pratt Safety Systems will repair or replace the defective parts without cost to the user, provided our inspection substantiates any claimed defect. Full details of terms & conditions are available upon request.

This warranty does not apply to defects or damage arising from any improper use, storage, modification or other misuse not in accordance with directions for use, whether by the purchaser or any third party. Pratt Safety Systems expressly disclaims responsibility for damage by accident, including damage in transport, any freight cost associated with this warranty, damage or loss relating to the purchaser's procurement of substitute goods, and incidental, special, economic and consequential damage.

Yours Sincerely
